25 Per Cent Off

Sweeping Reductions in Children's Carriages

We offer seven carriages ranging from \$12 to \$24 at 25 per cent discount. These are not of the collapsible kind but of the better grade. Three are Pullman Sleepers, the latest and best carriages out.

There is no particular season for the arrival of babies. They just come at any old time. Not so with baby carriages. There is a season and this is the reason of this 25 per cent off. How fortunate this is for the late arrived baby. Will you take advantage of the low price? The line is shown in one of our windows.

Many people do not know that we're the agents and carry in stock a supply of the famous Ostermoor Felt Mattresses. This does not mean that you pay us a penny more for the Mattress than you would direct from the factory. The price is exactly the same. The Ostermoor Co. pay us for distributing and advertising their mattress in this vicinity. It is unnecessary for us to tell you of the superior excellence of this mattress, and its wearing quality. An Ostermoor user is its best advertisement.

The Demands of the Season

We do not know what particular garments any lady may want to make up her season's wardrobe, but we do know what the trade in general is going to demand, and have laid our plans accordingly. The tailored suit is always dressy and is as popular as ever and are shown in a variety of styles that are the best. The long partial fitted coat is one of the leading features of the season, being warm and serviceable. The advent of the long coat brings the separate skirt into the foreground. This is a line we are very strong on this season.

Ladies' Elite Petticoat

The Elite Glove-fitting Petticoat is a Petticoat that has all the style and service of any other make, and, more, it fits around the waist and hip and has no placket to gap.

At \$1.00 is a special Glove-fitting Petticoat; is made of a good quality sateen and light-weight percaleine.

At \$1.25 is an Elite Glove-fitting Petticoat, made of a mercerized sateen and has a deep-stitched flounce; comes in sizes from 18 to 36-inch waist bands. If you want a large-sized Petticoat, try one of these.

At \$1.50 is a still better quality Elite Petticoat that will appeal to you as the best Petticoat value you have seen. The depth of ruffle and under dust ruffle are a good feature.

At 98c and \$1.50 are some good values in a sateen and imitation heatherbloom, with the old style draw-string top.

Ladies' Elite Petticoat

At \$2.50 is one of the best values in an Elite Petticoat we ever put out; is made of a fine quality Italian serge, has a deep-stitched flounce with a dust ruffle. This is a good weight cloth and very serviceable.

At \$3.00 is a better quality in the Elite Glove-fitting-top Petticoat, made of the Italian serge. This is a cloth that looks like a silk and there is no cloth that will wear better or as well and keep the finish.

At \$2.50 is a good value in the Elite Petticoat, made of a mercerized sateen, and comes in large and small sizes.

At \$2.50 and \$3.00 is a line of Elite Petticoats made of a fine quality heatherbloom; has a deep stitched flounce and under dust ruffle, and is a very serviceable Petticoat and looks like silk.

Ladies' Silk Petticoat

The above cut represents one of our new styles in our special \$3.50 guaranteed Silk Petticoats. This is a Petticoat that we have made a leader of. It comes in 27 different colors and black. If you want a Silk Petticoat to match any colored suit, we can get you one at \$3.50. We also have the better grades in black to \$12.00.

Our new store arrangement gives us more room and a better chance to display goods. Our new case to take care of our petticoat stock put us in much better shape to serve your needs. The feature that the trade appreciates the most is our new fitting room, which is fitted up in first-class shape.

A STOWE ELOPEMENT.

Story of It Told by School Girl to Her Grandmother.

Stowe, Oct. 18.—At a hearing before Justice Watts Saturday, Edwin Payne was bound over to Chittenden county court on a charge of perjury. Payne, who is about 28 years of age, has been employed as a farm hand in town.

About two weeks ago his employer's granddaughter, who is a member of the family and not quite 16 years of age, left home to visit friends in Chittenden county. Payne soon followed on the pretext that he had been called to Burlington. Obtaining a license in Huntington, in which he gave the girl's age as 19, the couple were married in Richmond.

Payne and the girl returned to Stowe separately. She resumed her studies in high school and no suspicions were aroused until she told her grandmother of her marriage.
